Early Summer 2017

June 1, 2017

Dear Friends,

We are approaching the end of the program year. In our part of the world, folks are not always around in the summer time, so church life unfolds starting in the fall, moving through the winter, and concluding in the spring. Ministry at our church won't end in the summer months, but we, like many other churches, don't have less going on in the summer time. As we approach the **end** of this program year, I wanted to highlight some of the **new beginnings** we have shared.

Almost everything was a new beginning for me this year! I had never been a solo-minister before and I had never had so much responsibility for the life of a church community. There were so many new things for me to learn about and get used to. I had a new home and community. I had a new office, new colleagues, new teams, new lay leaders. I had a new sanctuary, a new Bible study, not to mention a whole new congregation full of people who were all new to me. After a year of ministry, I think we have done a pretty good job helping me to settle in and get used to all these aspects of my life and ministry that, not so long ago, were brand new to me. Thank you for your patience and for your help as I learned about my position.

There are many other things besides me that were new beginnings this year.

In November, Jamie and I welcomed a new member of our family into the world. On May 14th, we celebrated the beginning of her life as a baptized member of the church. Thank you all for helping to welcome Margot into the world and thank you for welcoming her into the life of the church.

This year we also welcomed eight new members into the life of the church through the "new-members" process. Many of these people had been around for some time, but this winter and spring they made their commitment to the church official. They signed on to share their gifts and talents along with the established members of our church.

We also welcomed a new staff member, Karen Larsen. Karen came on as our church administrator just before I did. Aside from the work that she does putting together our bulletins, helping keep the books, helping manage our communications, and running the office, Karen has also been very involved in the life of our church. It is fitting to thank God, not only for our eight new members, but also for Karen as a new friend and an important partner in our service to Christ.

Finally, I want to point out that the mission team has seen some new beginnings this year. They have developed a new four tier mission emphasis that is reminding us that we are called to make an impact in our personal lives, our local community, our regional area, and all throughout the world. The mission team has also helped to organize some new mission endeavors. This year we made blankets for the animals at SAVE, we participated in Run with Rotary, and we made and served a lunch at SHIP in Somerville at the United Reformed Church. We also have a new international mission to support in South Africa working to help families with adoption services. We will hear more about this global mission on Sunday, June 11, (which is Children's Day on our Church calendar) both in worship and during fellowship.

Along with many other things, which I did not mention here, I think we all can agree that we have had a lot of new beginnings this year. I think it is fitting that we would recognize that we worship and serve a God of new beginnings. According to scripture, God has given each of us a fresh start in Jesus Christ. It is a new beginning free from sin and fear. Our God is also one to bring to life in our world, new ways for us to be faithful and to serve God's purposes. As God says through the prophet Isaiah, "Behold, I am doing a new thing; now it springs forth" (Isaiah 43:19). As our program year comes to a close, I celebrate the new beginnings God has given us and I look forward to the new beginnings God has in store for us next year and in the years to come.

Marble Collegiate Partnership Ends

by David Cochran

Our three-year partnership with Marble Collegiate Church in New York City will end on June 30. Consistory decided this winter that our own activities are keeping us very busy, and we have many new activities on the horizon. We felt that we should expend our energy on our local and regional communities rather than try to continue the partnership.

In a letter to Rev. Michael Brown, David Cochran, on behalf of the Consistory, stated, “At this moment in time the leadership of our church believes that we need to commit the majority of our attention and energy into our local activities rather than working to find new ways to engage with Marble Collegiate. Having said this, we would like to keep the door open for further discussion of common goals and activities should either of us have an idea about how we could work together. Perhaps in a few years we will be in a place where we are able to reach beyond our community to serve the Lord in partnership with you.”

We have also expressed our gratitude for the financial assistance that they gave us while Travis Winckler was here and for a follow-up grant last year. While we did not accomplish all the goals of the partnership, we are grateful for the many blessings it brought our way.

Congregational Meeting – June 4th

Please plan to attend a congregational meeting on Sunday, June 4th following worship. At the meeting we will celebrate David Cochran and Barb Pavlicek, who are ending their terms of service on Consistory and we will elect their successors. We also have some additional agenda items relating to the life of the church to discuss at the meeting. If you are a member, we would strongly encourage your attendance!

Election of New Consistory Members

The Consistory is our church board and is made up of Elders and Deacons, who together with the minister make decisions about our church's ministry. This June, David Cochran and Barb Pavlicek will be ending their time on consistory. Dave has been serving as an Elder and the Vice-President of Consistory. Barb has been serving as a Deacon. Our nomination committee has proposed Joe Pavlicek as Elder and Nancy Meyer as Deacon to fill the spots. If elected at the June congregational meeting, Joe and Nancy would serve from July 1, 2017 to June 30, 2019, and they would be installed into their roles in worship on Sunday, June 18th. If you have any reason to object to the nominations, please reach out to a church Elder in the coming

Academic Year Intern—Kyle Dipre

by Pastor Jeff

This fall, Kyle Dipre will be joining us as a Princeton Seminary student intern. Kyle is a graduate of Hope College, which is a Reformed Church in America school. He has an interest in law and hopes to become a lawyer who can work closely with churches on legal issues. For his seminary education Kyle needs to intern as a student pastor and he will have that opportunity with our congregation. He will be with us during his academic year and will seek to do about 10-12 hours of ministry through our church every week. For some of those hours Kyle will shadow me in the work that I do. For some of those hours Kyle will lead as a student minister, helping lead Bible study, worship, and give pastoral care. For some of those hours Kyle will work with our teams to help develop, plan, and lead ministry projects. I am looking forward to having Kyle around next year as an intern and I would ask that you keep him in your prayers. This summer he is doing another internship in Washington DC. Kyle shares this information about his work:

"Kyle is presently a summer clerk with the Baptist Joint Committee for Religious Liberty, one of the nation's leading organizations dedicated to protecting religious liberty and church/state separation. In this capacity, he will track religious liberty disputes nationwide, monitor pertinent legislation, educate Congress about religious liberty, and assist in drafting amicus briefs for upcoming Supreme Court cases. Thus far, he enjoys using his seminary training to educate religious liberty attorneys on the challenges of referencing the Sacraments in legal arguments! To learn more about the Baptist Joint Committee and its groundbreaking work on these issues please visit: <http://bjconline.org/>."

In addition to his interest in religious liberty, Kyle is an expert tassel maker (see below).

PROPERTIES UPDATE

Coming this summer, work and painting are scheduled to begin on the front doors and entrance to our sanctuary. Prayerfully, our share of the rummage sale profits will get us off to a good start.

Gratefully, Memorial Hall has the Farm House Store renting our warehouse space and has committed to a three year contract, which greatly helps us with the building's expenses.

Due to the budget shortfall, our team has put a freeze on all unbudgeted and nonessential projects. Yet there is always a need for weeding and mulching around our buildings, as well as painting of the black exterior handrails and some interior walls of Cook Hall. Might we get some volunteers? (Call Ethel 908.359.6027)

Please remember to put away anything that you use in the kitchen, clean up any "messes", and take garbage to the dumpsters so that no food items whatsoever are left out on the counters, tables, or in the trash. Your consideration is appreciated.

At times the care of our facilities is overwhelming. However we are constantly reminded how truly blessed we are to have such beautiful property and buildings. Please don't forget to call me if you are able to volunteer.

Ethel

Summer Worship Focus

This summer we will listen for God's Word to us, through the stories found in the later parts of the book of Genesis. These readings convey the stories of Abraham, Sarah, Hagar, Ishmael, Jacob, Esau, Joseph and others. As we read their stories we will seek to open our hearts to God's words of comfort and challenge. See page 11 for the summer scripture schedule.

Thank You Chip Mergott

We welcomed Chip Mergott on May 21st as guest preacher and musician. A former deacon in the Baptist church, Chip has made a lifelong study of the doctrine of grace and has led services centered around the topic at numerous area churches. Musically, Chip was discovered by Bonnie Raitt and signed to a major label early in his career. He recently released his 18th record "I Can't Stop Myself" on Notebook Records, one of the country's longest running independent labels, which he founded. His "Mergott Music Minute" is heard on WDVR and WPRB ("Music You Can't Hear on the Radio") among other stations and is a weekly feature in The Bucks County Herald. He's been teaching music privately in Hunterdon County, NJ and Bucks County, PA for over 20 years and has just authored his first book How to Play the Guitar in One Hour. He and his wife, schoolteacher/singer/songwriter Annie Bauerlein, live in Bucks County with their 11 year old son Eli.

Thank you, Chip, for your message and music.

A Thank You from Raritan Valley Habitat for Humanity

“We want to thank Blawenburg Reformed Church for your inspiring donation of \$2,300.00 to support Raritan Valley Habitat for Humanity’s Women Build event from your recent rummage sale. We’re grateful for your commitment to Habitat for Humanity’s mission to provide decent, safe, and affordable homes for low-income wage earners in Somerset and Hunterdon counties. Through contributions such as yours, we look towards a time when everyone has a decent place to live.

Your gift builds so much more than homes. It builds strength, stability, self-reliance, and shelter in the lives of those touched by our mission. We’re currently in the process of working on a home alongside the Thomas family! As a single mother with four children, she works hard to provide the best life she can, but they are currently living in a small, overcrowded apartment in a dangerous neighborhood where the kids can’t play outside. They’re really looking forward to having a safe place to call home with their own bedrooms and a backyard!

Thank you for making a difference.

BRC to Host Weekend Journey through the Past October 14-15

We will once again host visitors from around the region during the Somerset County Weekend Journey through the Past. We participated in this Somerset County Cultural and Heritage Commission program for the first time in 2015. Our sanctuary will be open on Saturday,

October 14 from 10 am to 5 pm and Sunday, October 15 from 12:00 pm to 4:00 pm. On Saturday, there will be visitation by the public. On Sunday, the sanctuary will be open for visitation and Katie Connolly will again do a concert in the afternoon.

We will need your help to do this. We plan to have four or five stations staffed by members and friends where visitors can gain information about the church history. We hope you will volunteer to serve on either or both days for a few hours.

You will have the opportunity to sign up to help later this summer. All volunteer docents will be provided information about their station to help them answer questions.

We appreciate your support of this event. All you need to do now is save the dates:
October 14-15.

Third Graders Learn About Blawenburg and BRC

Each spring, over 300 Montgomery third graders, as part of their curriculum, visit our church. Dave Cochran does a terrific job presenting a program that provides the children with a good idea of what life was like in Blawenburg as well as in our church over the past 200 years. Dave always asks questions of the students and typically receives honest answers that are often "gems". This year was no exception. Dave explained that children many years ago were paid to pump the organ. When asked what a child should be paid today to do the job, one young man said, "Nothing. I would do it for the love of God!" It's no wonder that Dave continues to do this year after year!

BLAWENBURG REFORMED CHURCH

In Service to the Risen Christ since 1832

The Blawenburg Reformed Church is a covenant community of God's people united in Christ through the Holy Spirit. We commit our gifts to worship, hospitality, life-long learning, serving those in need, and proclaiming the good news of salvation in Jesus Christ.
